Fargo, North Dakota**

Lecturer

Teach Psychology 210: Human Sexuality

Responsibilities include preparing for, lecturing to, developing tests for, and providing formal evaluations of performance on, approximately 300-1000 students per year. Course was offered as both a traditional lecture class, as well as a web based, distance learning version.

1998-2010

**Southeast Human Service Center
Fargo, North Dakota**

Staff Psychologist 9/08-6/10

After resigning my full time job in 9/08 to focus more on my growing private practice, I was offered a position working two days per week, completing risk assessments of sexual offenders and supervising doctorate level interns and psychology residents, which I stayed in for another year and a half.

Director of Clinical Training 09/01-9/08

Founded, Coordinated and Directed our APPIC member internship Program. This internship marked the first APPIC member internship Program in the state of North Dakota. It became the first APA approved internship in the state of North Dakota while I was still employed there, but had resigned from the Director of Training position. I was instrumental in the two year process to get APA approval.

Chief Psychologist 09/99-9/08

For nearly 10 years I was employed as the Chief Psychologist of this Community Mental Health Center. My duties included supervising and overseeing the psychological department, Coordinating the referrals for psychological evaluations, Conducting Psychological Evaluations, primarily with adults (Specializing in conducting Risk Assessments on Sex Offenders and other court ordered

evaluations) Consulting to the North Dakota Sexual Abuse Treatment Program, Providing individual therapy to adult males and females, Providing staff training both within and outside the agency, Providing input / approval on diagnosis and treatment plans through multidisciplinary case conferences and informal consultation, attendance at Supervisors Meeting and other duties as assigned.

Clinical Supervisor Adult Therapy Services 06/99-6/06

In addition to the overlapping job duties mentioned above I supervised the Adult Therapy Services unit for 7 years, until I resigned this position (keeping the Chief Psychologist position). While in this role I directly supervised the clinicians in the Sexual Abuse Treatment Program, Coordinated all referrals for adult therapy services, Completed a wide variety of psychological evaluations with a special focus on Sex Offender Evaluations but also including a wide variety of psychological evaluations such as Parental Capacity Evaluations, personality testing, projectives, intellectual, ADHD, malingering, diagnostic, memory testing, etc

Psychology Resident 09/98-09/99

During my first year with Southeast Human Service Center I was employed as a psychology resident. In that capacity I conducted psychological evaluations, primarily with adults with a heavy focus on Parental Capacity Evaluations and Risk Assessments on Sex Offenders for the Courts, but also included general evaluations such as personality testing, projective, intellectual, achievement, ADHD, malingering, diagnostic etc. I was also the consultant to the North Dakota Sexual Abuse Treatment Program, provided individual therapy with adult males and females, provided staff training both within and outside the agency, provided input / approval on diagnosis and treatment plans through multidisciplinary case conferences and informal consultation. I was promoted to the Clinical Supervisor of Adult Therapy Services after 9 months in this role, and to Chief Psychologist after 1 year (upon licensure).

1999-2004

**Solutions Behavioral Health Professionals
Fargo, ND**

Staff Psychologist

Completed psychological evaluations and forensic consultation, specializing in evaluations of sexual offenders

1997-1998

**Federal Correctional Institution
Tallahassee, Florida**

Clinical Psychology Intern

I completed my psychology internship at this APA approved internship site in a Federal Prison 4 days per week. During my year there I provided individual therapy with incarcerated adult males and females, Group Therapy with incarcerated adult females, Psychological Evaluations on adult incarcerated females, Crisis Intervention as needed, Jail Screenings (suicidality, dangerousness, medication needs, etc.) Psychiatric Consultation exposure, Provided staff training on working with Axis II Disorders and took part in Annual Hostage Negotiation/SORT Training

1997-1998

**Tallahassee Memorial Psychiatric Center
Tallahassee, Florida**

Clinical Psychology Intern

I completed Psychological Evaluations on a full range of patients from children to geriatric in an inpatient psychiatric hospital one day per week. Evaluations included objective, projective, intellectual, achievement and /or neuropsychological testing.

1996-1997

**Eden Prairie Psychological Resources
Eden Prairie, Minnesota**
